Pool Care Systems

Each BioGuard® Care System has three important parts that help you maintain crystal blue sparkling water.

- A sanitizer to kill bacteria
- A shock to destroy contaminants
- A preventative algaecide to stop algae before it starts

Products that are part of the “BioGuard Care System” will have the “BioGuard Care System” badge. All other products will have a “when to use” badge, such as “As Needed” or “Test and Add.”

Explore Your BioGuard Care System

- **3-Step**
Great for busy pools of any size or surface type
- **Once-A-Week 3-Step**
A convenient and flexible system that takes only minutes per week to maintain.
- **Mineral Springs®**
It's mineral-based for an experience that's unlike any other swimming experience you have ever had.
- **SoftSwim®**
This soft, clear, chlorine-free water system is gentle on skin, hair & eyes.
